Profile

Student in first year of Computer Engineering in the Francisco de Vitoria University. In search of a part-time work to complement my studies in order to have experience in the work area before finishing my degree.

Studies

Bachelor's degree in María Virgen high school
2022-2024

Dual Bachelor
2022-2024

Degree in Computer Engineering at Francisco de Vitoria University
2024-Today

Skills

Listening capacity: I try to listen to others to help them with their problems and try to learn from them.

Teamwork: I know how to work with others and listen to their opinions at the same time that I give them feedback.

Time management: I usually organize myself in a way that allows me to complete my work on a timely manner.

Flexibility: I can adapt myself to achieve or complete new goals on time.
